      Use this area to speak to your mission. I'm a
      research scientist in the Moonshot team at DeepMind. I
      blog about machine learning, deep learning, and
      moonshots.

      I apply a range of qualitative and quantitative
      methods to comprehensively investigate the role of
      science and technology in the economy.

      Please reach out to collaborate 😊

21 Моя неделя прошла очень продуктивно, я ходила в институт,
   дочитала книгу, купила абонемент в спорт зал и общалась с
   родными, также я позанималась волонёрской деятельностью, я
   считаю, что это была хорошая неделя и скоро погода тоже нас
   начнёт радовать
